## SUMMARY

Final-year B.Tech Computer Science student (CGPA: 7.92) currently working as a Software Developer Intern at Zentek Infosoft. Experienced in building full-stack web applications using React.js, Node.js, Express.js, MongoDB, MySQL, and JavaScript. Hands-on experience developing REST APIs, authentication systems, database-driven applications, and responsive user interfaces. Proficient in Java and Data Structures & Algorithms, seeking backend or full-stack developer opportunities to build scalable and production-ready applications.

## EDUCATION
